

VOLUNTEER TO BE A HAVURAH TUTOR:

Can you devote an hour or two once a week to tutor some of the neediest children in our city? As part of Havurah's commitment to being a sanctuary congregation, we are partnering with the Baltazar Ortiz Community Center (6736 NE Killingsworth St.) The center is a Multnomah County health facility that works with refugees and immigrants and is a safe gathering place for the Latino and East African communities that surround it. Havurah has been asked by the center to create an after school tutoring program for some of the neighborhood elementary school age children. We hope to find enough tutors to start tutoring one afternoon per week in early January. No teaching experience is needed---just a knowledge of basic math and reading is all you need. We will schedule an informational meeting at Havurah in early December to answer your questions and to agree on days of the week for tutoring.

We want our tutors to be consistent, but don't worry if you cannot be there every week due to travel or whatever, because we will make sure we have substitutes available. If you are interested in joining this exciting Tikkun Olam project please contact:
