A study in the journal *Science* showed that 40% of people given cashless wallets with unidentified owners reported them, compared with 51% of those given wallets with money.

In the same study, 100% of those who studied Bava Metzia reported the wallets.

Daf Yomi begins Bava Metzia on Friday, March 1, 2024. Daily at 6 AM at Shaare Tefilla.

Dear Shaare Tefilla Family,

Many of us have heard the words, "Lone Soldier." What does it actually mean? "A young man or woman who choose to leave their country and serve in the IDF without the support of immediate family residing in Israel." Our hearts swell with pride and admiration for these individuals who put their personal lives on hold to serve and protect our land and our nation.

This Purim, we would like to honor our Dallas Lone soldiers - those currently serving and those who have served, and their unit, with shalach manot. From our hearts to theirs!

Connection Israel has partnered with us to personally deliver shalach manot to our lone soldiers.

\$18.00 per soldier.

An additional donation can be made to the soldiers unit to purchase necessary supplies: warm socks, boots, special vests, etc.

Please go to the website:
<https://www.connectionsisrael.com/purim>

Connection Israel will forward videos and pictures of our chayalim receiving their special gift.

May this mitzvah be in the zechut, merit, of those who have sacrificed their lives for our country.

Mrs. Julie Wolk
