COMMUNITY CIRCLE
In an ever-changing and fast-paced world, our synagogue needs the vision, stability and resources to confront the challenges we face and to adapt to new realities within the American Jewish Community. The support and generosity of our Patrons enables us to move forward with confidence and to excel in the ways our members do and should expect.  

- Rabbi Neil S. Cooper

A cherished history, Jewish continuity, spirituality, learning, friendships, involvement...this is Temple Beth Hillel-Beth El. We are the past, present and future...YOU ARE THE VITAL LINK IN OUR COMMUNITY CIRCLE.

COMMUNITY CIRCLE
Our Jewish community is warm and inviting, inclusive and caring. The Community Circle enables all members to find a comfortable way to support our congregation by choosing either a Patron or traditional commitment option.

CONNECT, GROW, SUSTAIN
Connect to your Jewish values and traditions. Grow your personal philanthropy as you sustain TBH-BE, our house, your home. Ours is a community for a lifetime, and with your generosity, we will continue to link our children, grandchildren and future generations to our Jewish traditions and values.

THE PATRON
Become a Patron of Temple Beth Hillel-Beth El and experience the impact of your philanthropy. Your annual commitment enables our synagogue to spend more time developing quality programs, fostering warm relationships and providing meaningful opportunities for spiritual growth...and less time fundraising.
