Dear Friends,

Ruby and I, Tzeira and Arsen and especially Yara Channah thank everyone who sent cards and tributes and other means of best wishes for our granddaughter's birth last February in Tel Aviv. She is now six months old and a complete bundle of joy. With the electronic means, we are able to see her grow, giggle, experience the Mediterranean Sea and roll over. Mother, father and grandparents in Richmond and Sydney, Australia are all enjoying her immensely. We thank you for sweet words and best wishes. We have saved all your cards!!

We extend our best wishes to you for a happy and healthy new year and again thank you for your friendship and love.

Rabbi Gary Creditor & Ruby Eisenberg-Creditor
