SELICHOT

Saturday, September 21

The Selichot program and service help us to prepare ourselves emotionally, intellectually and spiritually for a transformative High Holy Days experience. The study program will introduce the new Colorado Clean Speech initiative. We will then join together for a service which concludes with the sounding of the shofar and the dressing of our Torah scrolls in their High Holy Day white covers.

EXPERIENTIAL SERVICE

Monday, September 30 & Wednesday, October 9

Join Rabbi Jordy Cohen and Artist in Residence Dan Yolles for a musical, rejuvenating and transformative High Holy Day worship service. In this service you will be able to experience the High Holy Day liturgy in a more intimate setting complete with inspiring music, small discussions, and opportunities for personal introspection.

SECOND DAY ROSH HASHANAH SERVICE

Monday, September 30

Each year, hundreds of Temple Sinai members and friends attend our wonderful 2nd Day Rosh HaShanah service. It's a warm, heimische gathering that is spiritual, friendly and meaningful. One of the highlights of the service is our annual discussion during which all are welcome to participate. This year's discussion: "Free Speech Rights Versus Anti-Hate Speech Efforts."

CEMETERY MEMORIAL SERVICES

Sunday, October 6

On the days between Rosh HaShanah and Yom Kippur, many observe the tradition of visiting the gravesites of deceased loved ones. Since we have members buried at several different cemeteries, memorial services will be held at Fairmount, Mt. Nebo, and Rose Hill. No reservations are required to attend the memorial services.

YOM KIPPUR AFTERNOON DISCUSSION

Wednesday, October 9

It is a long standing Temple Sinai tradition to offer an adult discussion session on Yom Kippur afternoon. Temple Sinai's founding rabbi and Rabbi Emeritus Ray Zwerin will lead this year's discussion on "Is there anything that can't be forgiven?"

FAMILY ROSH HASHANAH PROGRAM AND TASHLIKH AT WESTLANDS PARK

Monday, September 30

By popular demand, this year we once again will have our Family Rosh HaShanah service in Westlands Park. After the family service we will continue with the fun and meaningful ritual of Tashlikh. This is a time-honored tradition whereby we "cast out" our sins and disappointments from the past year. This is an especially delightful event for families with children. As we symbolically rid ourselves of sins, we usher in the New Year 5780 with a new and fresh start to life.

TOT SERVICE & PROGRAM

Monday, September 30 & Wednesday, October 9

Sing, dance and hear the shofar blast and a fun holiday story with Dan "the Music Man" Yolles for an interactive High Holy Day service designed for little ones (ages 0-5) and their families! Then drop off the little ones (must be at least 18-months to be without a parent) for a tot program throughout the duration of the main service.

K-5 YOUTH SERVICES & PROGRAMS

Monday, September 30 & Wednesday, October 9

We are excited to welcome students in grades K-5 to attend our High Holiday Youth Program on Rosh Hashana and Yom Kippur during the early service (8:30 AM – conclusion of service). The morning will offer a short worship experience for all participants as well as separate programming for K-2 and 3-5. There is no charge for the program, but we do ask that all families register so we can prepare.

INTERGENERATIONAL FAMILY SERVICE

Wednesday, October 9

We offer a meaningful, family friendly service on Yom Kippur afternoon. Regardless of age, all will be engaged through song and prayers, an inspiring story and Torah. This service is a perfect way for families to introduce some of the traditional High Holy Day prayers, themes and music to those just beginning to explore their Jewish heritage. Children, parents and grandparents are all invited to share in this experience together.
