

the men's event

Friends,

I hope you will consider attending the 23rd Annual Men's Event on **November 15th at 6pm at Wings Over the Rockies**. It's my pleasure to serve as a table captain this year and I hope you can join me for a great evening.

Every year, the Men's Event gather's over 1,200 men to celebrate our Jewish community and to raise critical funds to support the needs of Jewish people locally, in Israel and around the world. Please join me for an evening of good food and drinks, a world-class speaker, and most importantly the mitzvah of Tzedakah.

Menny Barzilay, will be the keynote speaker. Mr. Barzilay is an internationally known cyber security expert and will provide a fascinating look at the impact technology has on our lives and on global security. Check out his website: <https://www.mennyb.com/> for more information on the interesting projects he is a part of.

Feel free to [register here](#) and indicate me as your table host or fill out the information below and return to me via email. You can also check out information at www.jewishcolorado.org/mensevent.

Thank you so much for joining at this year's Men's Event.
